YOHO MIDTOWN RESIDENTIAL CLUBHOUSE

Inspired by idea of URBAN+PARK, residential clubhouse is a mixture of elements of cityscape and park landscape, which expressed by clubhouse's colour scheme of grey and green. Extra-long portal structures cover both entrance lobby and 24 hours lounge producing pattern of organic movement. Contour map on band room's carpet floor assembles mountainous landscape. Ceiling of multifunction room shows a massive set of city skyline, consists of column structures with various length, disguising as chandeliers and ceiling decoration. To visualize nature theme, changing rooms are compounds of booths with organic appearance and the "mosaic rain" inside.
