A small private library

為了讓屋主收藏的大量書籍與閱讀的習慣成為主角，我們拿掉了公共空間的所有格間，用水平延伸的書櫃來進行串連。四周刻意增設的平台，讓空間中的每個角落都可以隨時坐下來輕鬆的閱讀，使整個空間如同一座小型的私人圖書館。

To make the voluminous books collected by the owner of the house and reading habits the protagonist, we've removed all partitions in the public space and used the bookshelf for horizontal extension and connection. A platform is intentionally installed in the surrounding so that every corner of space may be seated for reading casually, thereby the entire space has become a small private library.

A small private library

在色調上刻意由玄關的窄深沉慢慢的渲染入公共空間的寬淺亮，期望經由這樣由深而淺的變化，讓空間的轉換帶來情緒上的平靜與和諧。

The narrow and dark entrance is being gradually introduced to the broad and bright public space. Through change from dark to light in color tone, the conversion of space has bought silence and harmony in mood.
