感官・生活  
Sensory Life

當生活的事物回歸本質 身心靈之感受才是真實  
When life returns to it's own essence, body and soul reflect true feeling

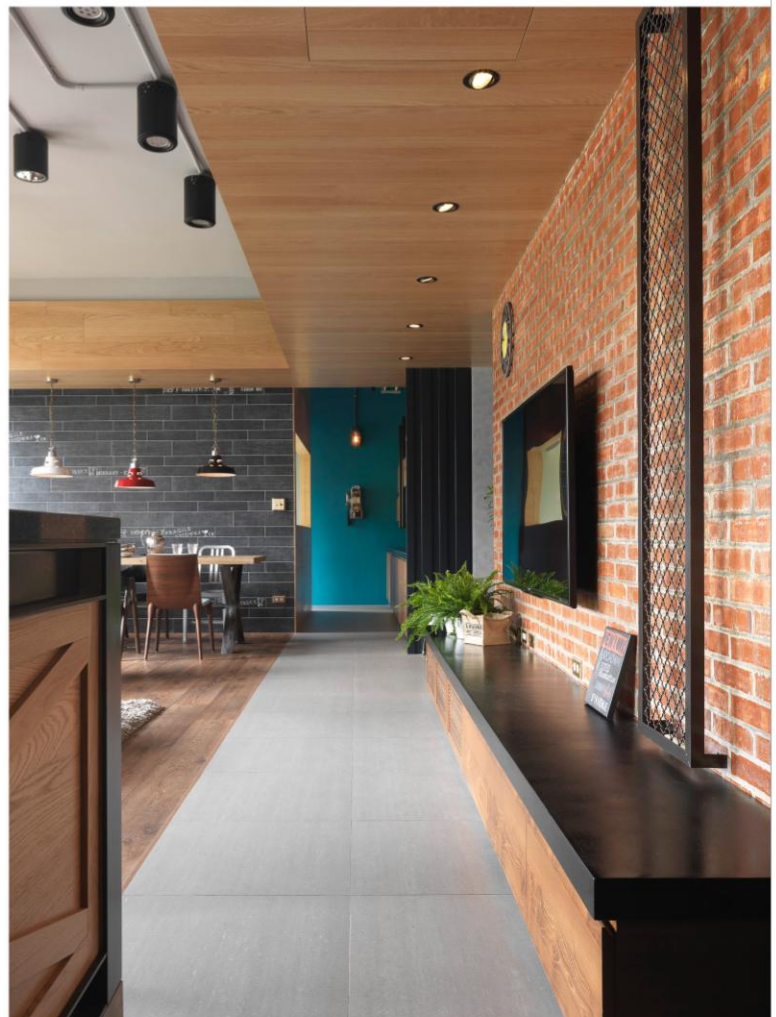

透過動線的安排將空間劃分公私領域  
以地坪分割的方式，呈現空間的布局

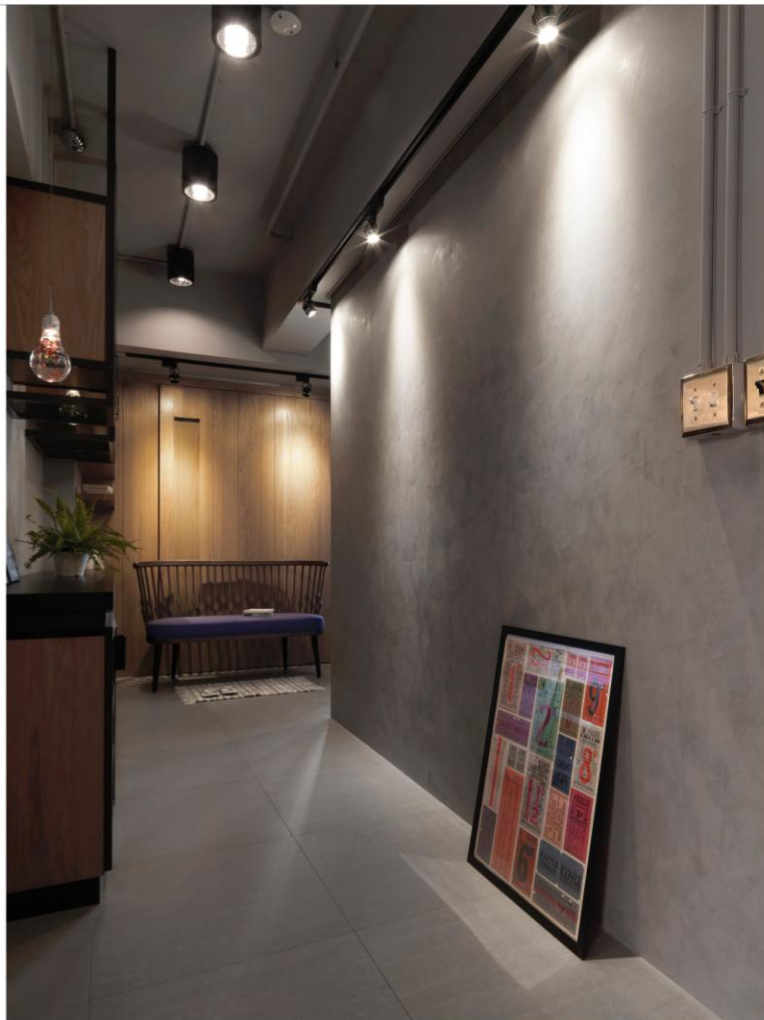

Through the circulation to separate open and privacy area and  
using the flooring plan to display the layout of space.

空間形式安排的構思，以玄關底端的氛圍作為誘因，引人一窺室內整體開放的空間安排

In space thinking, the small lobby shows beautiful temptation to attract people get inside and enjoy the open transparency.

材料的本質呈現，突顯純粹的空間表情與材料質感

By the material, it shows the pure texture and expression of space.

材料質地對比的混搭安排，使空間自然衝撞出玩味的個性氛圍

The fusion style makes space characterized and more delightful.

跳脫住家空間思維大膽呈現空間背景外，在繁複多樣的混搭元素之下，巧妙尋得一份和諧使空間賦予層次及趣味

Beyond the house design thinking, it tries to mix different textures and find the equilibrium between all elements. Making a tactile space full with ideas.
