The image shows the interior of a modern jewelry store. The most prominent feature is a large, white, sculptural installation that resembles a stylized flower or a series of flowing ribbons, suspended from the ceiling. The ceiling is dark and features several track lights. In the background, there are circular display cases with glass tops, and a seating area with dark, modern furniture. The floor is made of large, light-colored tiles. The overall design is minimalist and sophisticated.

This 'once in a lifetime' strong commitment enlightens designers to evoke the message throughout interior. The eye-catching ribbon-like white decorations on the ceiling immediately draw the guests' attention. The decorations run continuously throughout the entire ceiling, resembling the infinity symbol. The shape of a sideways figure eight is a mathematical symbol representing the concept of infinity. Stripes of ribbon-like decorations run freely along the ceiling, sometimes intertwined, but never break. They act as a never ending loop without interruptions. Not do they only symbolize infinity, they also correspond to a loving couple holding hands, walking down the aisle to overcome any struggles or difficulties ahead.

The designers use the purest color - white to trigger people's imagination with wedding and commitment. The overall modern and chic design emphasize on simplicity. Thus, with the composition of simple color tones like white and warm gray. Throughout the whole interior, the designers use several ring-shaped designs to subtly convey the message.
