Mellowness

Tchin tchin

Strolling in a house might be a kind of art, like pouring some wine slowly into a bottle. Then swirl the transparent glass, for each drop from the Grand Cru Classé of Bordeaux to rotate.

As the lively dill fragrance of the black oak floor Encounters and enriches the smooth room of pandomo floor, The tiles with rusty iron pattern add a sense of chill like strong tannins Among the reflection of bronze mirror and titanium plating to cast off the underripe crease, Along with the spreading brightness and the air of light beige travertine,

Then wait the standing time, for the fermentation to come to mellowness.

Together with the finish, how about a lump of blue cheese? The potent chevron wood veneer, silver oak floor and brown Ganache arouse a graceful flavor for the main bedroom. A bite of Camembert, savory white hanging wardrobe and polished white oak plywood offer a silky texture for the boy's room. Then a slice of Bel paese, now a taste of mouth-blow glass balloon light, and now the relish of color flesh ladder, the mildness and gentleness melt along the walls and ceiling in the girl's room.

Bon appétit

漫步其中如緩緩地將酒液倒入瓶中，像是一種藝術。
將手中的清透玻璃，杯酒交晃著波爾多的列級酒莊的紅酒

黑橡實木地板帶來的醇蘊香將活潑
與盤多磨潤澤地在空間中激盪交融

仿鑲鐵薄磚賦予空間的冷澀感如厚實單寧
在茶鏡與鍍鈦的交晃反射褪去青澀的摺皺
隨著蘊開的光、米白洞石帶來空氣的等待醞釀後
方才綻放甦醒後的陳年成熟底蘊

回甘之餘，試試一塊藍紋起司吧
主臥濃烈的山形紋木皮、銀色的橡木實木地板
及褐色甘納許巧克力在口中呈現曼妙的滋味；
搭配一口卡門貝爾起司，入口綿密的男孩房進入舌尖，
香濃的懸吊白衣櫃，配上白橡木皮的打光層板，香濃滑順；
切一塊貝爾塔斯，女孩房溫潤而滑順的口感沿著天花至壁面化開，
時而品嚐口吹玻璃氣球燈，時而細味跳色小梯子。

Bon appétit
