## 對於空間的想像 不受尺度的限制

本案為一小型住宅空間 利用挑高手法拉高空間尺度向上延伸  
用純粹的材質與戶外綠意相互輝映 低檯度的傢俱創造小空間中更好的視覺效果

The imagination of the space is not restricted by the size

### 延伸 視覺材質

運用材料的單純化及量體的延伸  
讓視覺從入口處引導到窗外綠意  
用純粹的材質與戶外綠意相互輝映  
低檯度的傢俱創造小空間中更好的視覺效果

### Extension visual material

Lead the vision from the entrance to the outdoor greenery with the purity of the material and the extension of measurement. The application of the pure material well responds to the outdoor greenery. The lower furniture creates a better visual effect for the micro space .

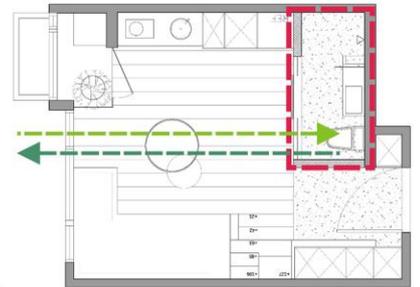

### 置入 白色盒子

衛浴區用量體的概念置入空間  
刻意營造與其他空間的反差  
讓進入空間形成一種儀式

### Embedding the white box

The "tailors" concept is applied to the bathroom design, deliberately creating a contrast with other spaces, making the use of the bathroom be a solemn ceremony.

交疊懸浮 層次堆砌

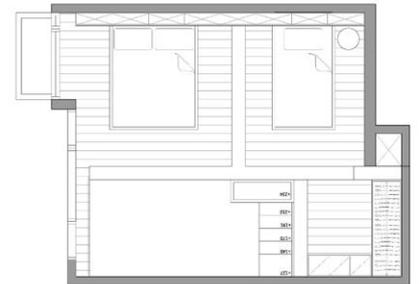

Overlapping / Suspension

X 軸 地板拼貼

From the staggered collage of the X axis floors to the hierachical stack of the Y axis woods, deriving the free extension of the Z axis ironsuspended ladder and handrail.

Y 軸 石板木塊交互堆疊

Z 軸 鐵件懸浮階梯與扶手

自由展開 創造空間

夾層空間利用鐵件框架與拉門移動創造不同空間的使用功能

Free extension / Creating space

The inter-layer space employs the motion of iron frame and sliding door, generating the different functions of the spaces.
