開門見加

Plain and Comfortable at a Glance

回家 打開門後你想看見的是什麼? 生活在這樣封閉的水泥盒子裡 我們企圖減少多餘的牆體阻隔 將空間切開 一分為二 讓空間與窗外僅存的山景整合

這就是我們生活在擁擠城市中的小確幸吧!

You're home.

What do you expect to see when the door is open?

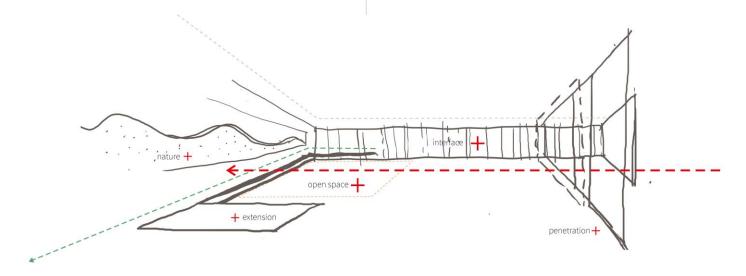

Dealing with an apartment,

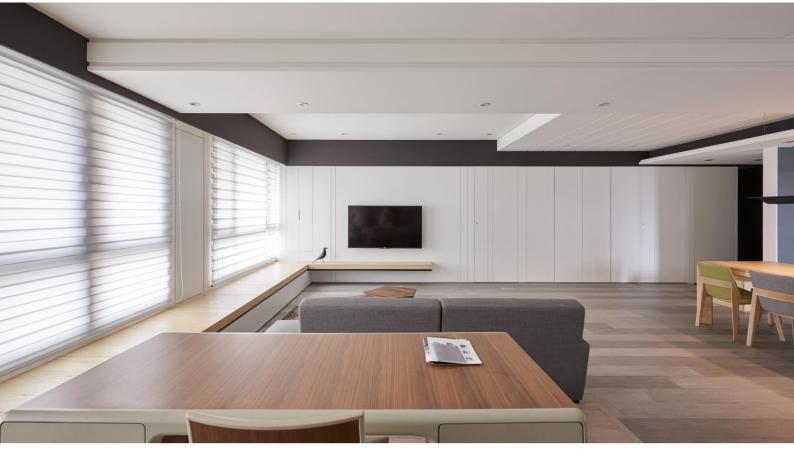

we try to diminish the sense of isolation caused by compartments.

So we just split the whole space into two,

and bring in the exterior mountain view through big windows.

Thus the space can be a private enjoyment in our crowded city life.

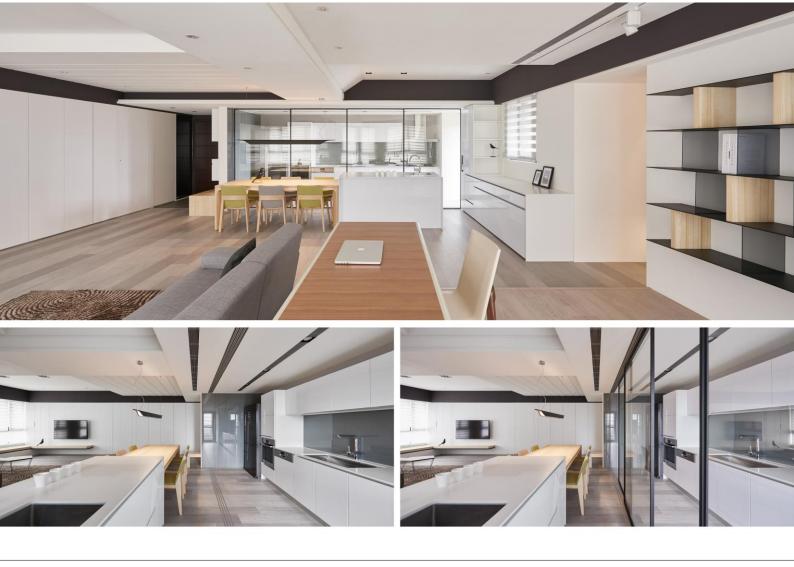

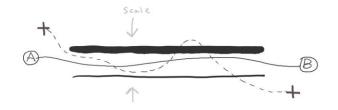

整合

空間內沒有多餘的裝飾 設計的線條就是空間最美的背景 藉由線條的鋪陳 延伸貫穿所有空間

比例

刻意利用黑色線條將立面比例壓縮 整體規劃為白色基調 讓視覺更加延伸

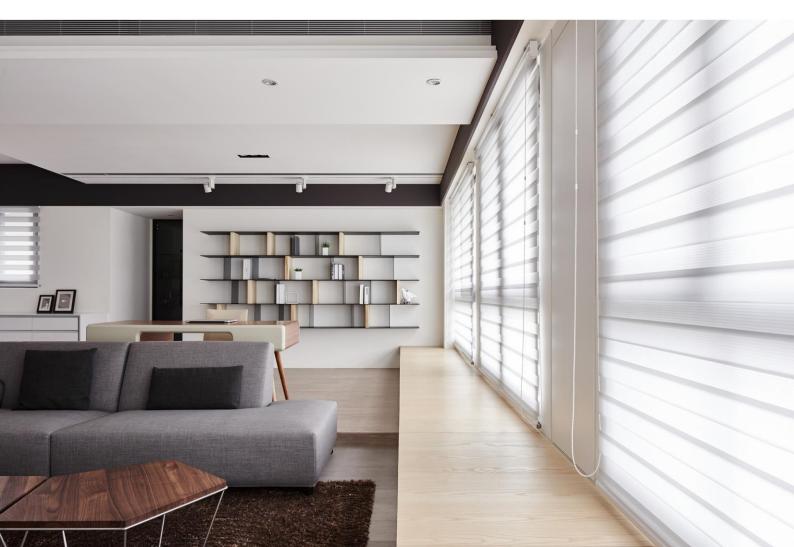

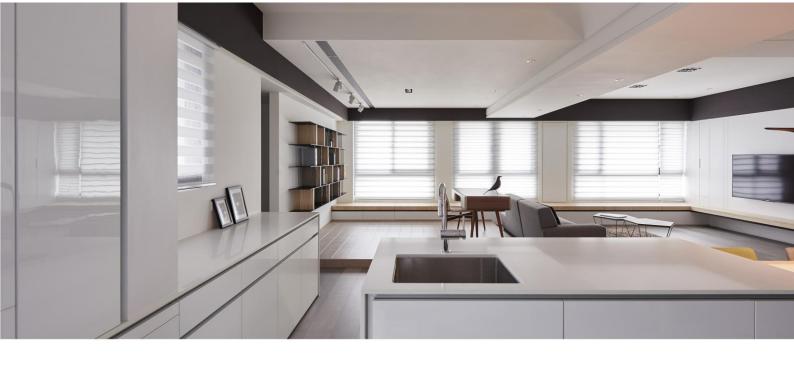

呼應

材質上盡量以環保無毒建材為主 屏除多於奢華的素材與裝飾 讓人有更多時間在空間內沉澱思考

紋理

以白/原木/磚/鐵件/玻璃為主要材質搭配 運用材料本身的肌理與質感 讓空間與自然產生和諧共生
