#### RS-S-193-無間東西

平和自然·鬧中取靜 也許對設計師來說，能按自己的意願去實現的空間才是最享受最純粹的，當家成為真正的精神家園，生活中的所有一切才會美夢成真。因工作原因，會經常在世界各地出差或旅行，因而設計師更喜歡極簡空間帶來的想像和放鬆。如今交通的便利，科技的發展，網路時代，在龐大的信息量中找到各種的設計靈感，回歸平靜，得以明白真正好的設計從心開始。家可以四壁白牆，但同時也可以做出藝術館的高雅與品位。好的設計並非簡單的金錢堆砌，而是設計師修為的呈現。開放式廚房，餐廳與客廳融在一起，又靠近院子，充滿陽光氣息與自然的味道。在客廳靠窗戶的地方安置了一處可席地而坐的休閒區域，斜陽西下的歸家時分，拾階而上，盤腿而坐，漸漸將塵世留在身後，直至滿眼青翠。屋內與屋外的邊界，一窗之隔，有時茶喝著喝著，卻忘了此時的自己身處何地，是屋內還是屋外。設計師非常享受極簡設計帶來的純淨與優雅，在愜意的空間裡翻翻喜歡的書，喝喝茶，給予的精神享受不言而喻，這也真是他喜歡的慢節奏、慵懶的歐洲小城生活。承載這個意象的構造和空間，是現代的，也是傳統的，兩者通過設計師的思維達成共情。

#### RS-S-193-EAST TO WEST DESIGN

Peace and quiet in a natural scene Perhaps to the designer, can according to own will to realize the space is most enjoys the purest, the home becomes the true spiritual homeland, in life all can realize the dream to come true. Because of their work, they often travel or travel around the world, so designers prefer the imagination and relaxation brought about by minimalist space. Nowadays, with the convenience of transportation, the development of science and technology, and the network age, In the vast amount of information found in the design inspiration, return to calm, to understand that really good design starts from the heart. Home can be four walls of white walls, But at the same time, it is also possible to make the elegance and taste of the art gallery. Good design is not a simple pile of money, but a designer's presentation. Open kitchen, dining room and living room, and close to the yard. The smell of sunshine and nature. A sittable leisure area was placed in the living room near the window, and when the evening sun was coming home in the west, the steps were picked up, and the cross legs were seated, leaving the earth behind until the boundary between the house and the house was all over the eyes. A window apart, sometimes drinking tea, but forget where they are at this time, inside or outside the house. Designers enjoy the purity and elegance of minimalist design, rummaging through their favorite books, drinking tea, giving spiritual pleasure in a comfortable space, which is also his favorite slow pace, lazy life in a small European city. The structure and space carrying this image is modern and traditional.
