生活的味道

豐富的書叢和活潑色彩為這個迷人的家打造永恆的生活背景。生活印象「閱讀」是這一家人凝聚的話題，凡舉文學、科學、序列小說到烹飪、花藝，屋主對於生活的想像，是一處能獨處也能互動的空間。重視生活真正的味道，品嚐閱讀帶來的甘甜，本案探討的空間思維並非只是造型、材料、風格，而是將生活的原味呈現出來，儀式般的閱讀體驗、繽紛的色塊、活躍的思想，正如這個家所表現出的幽默養分，都藏匿在空間中各處角落。建築原味 位於市區精華地段的老豪宅，面臨天花高度不高，樑柱錯落的因素，我們減少設計繁複手法，修飾建築體室內原貌，拉深軸線尺度，迎入落地窗的光、風、雨、樹。呈現空間形體原貌，僅留下色牆，不讓視覺風格搶過生活的味道，以「書牆」為生活背景，不鏽鋼與鍍鈦的元素，平衡了沈穩木質的冷暖溫度，如同屋主的個性擁抱了各種知識的可能性，嘗試去想像生活的場景，環繞在這個開放而獨立的區塊之間，藏著有趣的對望和互動的彈性。

Living Glam

To spotlight the house owner’s plentiful books, we designed a movie-like space with vivid colors in this suburban apartment. Life impression "Reading" is a topic of family cohesion. Everything from literature, science, serial fiction to cooking and flower art, the house owner's imagination of life is a space for solitude and interaction. Attaching importance to the real taste of life and the joy of reading, this case explores not only the shape, material and style of spatial thinking, but also the pristine flavor of life. Ritual reading experience, colorful blocks and lively ideas, they are nutrients of humor of the family, hiding in every corner of space. Pristine Flavor of Architecture Located in the downtown area, the old mansion is faced with factors such as insufficient altitude and the criss-crossed beams and columns. We minimized the complexities of the design, modified the original appearance of the inside of the building, draw the depth of the axis, and allow light, wind, rain and trees to enter through the French windows. To present the original shape of space, we leave only the color wall, not letting the visual style overshadowing the flavor of life. Taking the "book wall" as the background of life, stainless steel and titanium-plated elements balance the warmth of the wood, just as the owner's personality embraces the possibilities of diverse knowledge, trying to imagine the scene of life, surrounded by this open and independent block, hiding an interesting look and flexibility of interaction.
